

# BONES EX

TRUNK RACK

## 01 Best fit around

Fits 90% of the top vehicles sold - including those with spoilers.

## 02 Premium bike hold-downs

that are easy to use and quick to load.

## 03 Integrated strap management

eliminates flapping straps and creates a clean, sleek look.

## 04 Injection-molded arms and legs

keep the rack strong and rust-free for years to come.
