MHS CARGO

Coolers? Camping gear? Firewood? - Saris has you covered!

Introducing the MHS Cargo for your non-bike transport needs. Whether you're gearing up for a long camping trip or just need a bit of extra cargo space, the MHS Cargo is the perfect addition to your MHS setup. With a 5.5 square foot storage footprint and 200 lbs. of carrying capacity, the MHS Cargo accommodates most standard coolers, luggage, and a variety of outdoor gear. Constructed from high-quality steel and finished with a weather-resistant coating, the MHS Cargo will endure for years to come.

MHS Cargo can be used with MHS Base (2+1 or 3+1 only) and allows for an open bike carrying position or use with MHS DUO add-on or MHS UNO add-on.

- Carries up to 200 lbs.
- 5.5 sq. ft. of storage space
- Compatible with MHS Base SKUs
- Roof Rack compatible with MHS Roof Rack Kit (4692)
